

ALUMINIUM MATWELL FRAME KITS

Syncros offer a range of Matwell Frame Kits usually available within 48 hours due to the large stock held at our Kempston warehouse.

Most entrances areas have a **matwell** and **frame** consisting of an **aluminium frame** fixed into the concrete sub floor. Syncros can supply the bespoke matwell frame kit ready for installation prior to the matting being installed.

Simply call the Syncros team for more information and advice on the Matwell Frame product range.

Ready to Assemble Kits:
