

Syncros Outdoor Rubber Logo Mat

Rubber anti-fatigue matting incorporating simple logo designs for external & internal use. The matting is a moulded all rubber mat with face cleats that scrape shoes clean. A containment border traps moisture or spilt liquid preventing damage to the surrounding floor area.

Specifications:

- Holds up to 2.6 litres water / m²
- Holds up to 1.5 kg of dry dust / m²
- Gauge: 6mm
- 100% Nitrile Rubber

- Hygienic anti-microbial properties inhibit growth of bacteria.
- Excellent resistance to grease, oils, fats and detergents
- Raised textured surface for slip resistance
- Relieves fatigue from prolonged standing
- Can be cleaned in commercial washing machine
- Safety bevelled edges all round

Please note all Kleen-Scrape mat designs will have a Black rubber background.
