

Gradus Esplanade 1500

Gradus Esplanade 1500

Esplanade 1500

Esplanade 1500 is constructed from either 100% polypropylene wipers from the Boulevard 1500 range or black pvc scraper wipers which are supported with an aluminium base and pvc bridging strips that provide additional strength. The 100% polypropylene wipers are available in a choice of 4 colours.

Esplanade 1500 coordinates with Boulevard 1500 for a complete entrance matting solution.

Typical applications: Schools, offices & high street shops

Product Information

See primary matting product selection guide - **pages 14-15**

Note - pvc wiper - scraper action only - for exterior use.
