

## Syncros Rubber Drainage Mat

Hygienic anti-microbial mat manufactured from 100% nitrile rubber for use in areas wear drainage and fatigue relief is essential.

- Hygienic anti-microbial properties inhibit growth of bacteria.
- Excellent resistance to grease, oils, fats and detergents.
- Raised textured 'cross-grip' surface for slip resistance.
- Open holes to allow split liquids to drain through the mat.
- Relieves fatigue from prolonged standing
- Can be cleaned in commercial washing machine
- Safety bevelled edges all round
