

# Nuway Connect

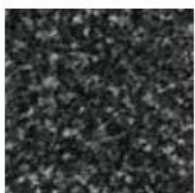

## A highly versatile, roll-up, single sided mat with multiple inserts available.

- Nuway Connect is a very versatile, roll-up, single sided entrance system that's **easy to shape on site** which makes it **ideal for smaller, more awkward sized entrances**
- A choice of **5 Coral Classic** inserts allows colour co-ordination with matching Coral Classic used in the secondary matting zone
- **Suitable for office, retail, healthcare and education environments or smaller/awkward entrances**
- For areas where increased **dirt and moisture retention** is required, Ultragrip rubber and Bristle inserts are also available
- All three elements, Coral, bristles and Ultragrip rubber, **can be mixed and matched** to create the precise entrance system to meet your needs

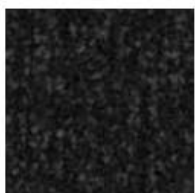

## Nuway Connect is available with the following wiper strip inserts:

### Coral Classic: The ultimate moisture absorber

4701 | anthracite

4730 | raven black

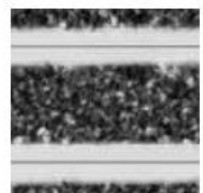

4763 | ruby red

4764 | taupe

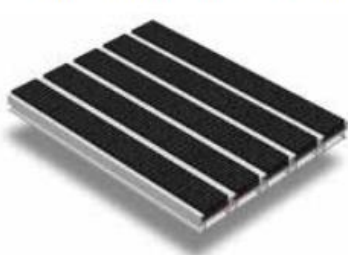

4750 | warm black

4701 | anthracite

**Ultragrip rubber:** Offers improved underfoot comfort and moisture removal

**Bristle:** For removal of coarse dirt

**PLEASE NOTE:** Ultragrip rubber and Bristle can be used both internally and externally, depending on customer preference however, Coral Classic inserts are intended for internal use only.

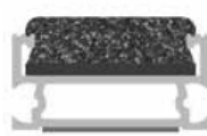

# Nuway Connect

## COMBINE MULTIPLE INSERTS TO SUIT YOUR NEEDS

Nuway Connect is the **only product within our Nuway collection** where you can **combine and alternate multiple inserts**.

For example, if an entrance was prone to both increased dirt and moisture, combining Ultragrip rubber and Bristle inserts would remove dirt and absorb moisture, whilst providing an enhanced underfoot comfort.

**If you would like to combine multiple inserts in your Nuway Connect order, please specify this at the ordering stage.**

### Coral Classic

- For picking up moisture and fine dirt
- For interior use only (colours are shown above)

### 4-row bristle

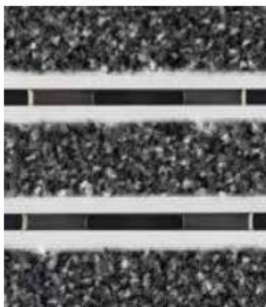

- For removal of coarse dirt
- Can be used internally
- Suitable for exterior use when alternated with Ultragrip Rubber (see next stage)

### Ultragrip rubber

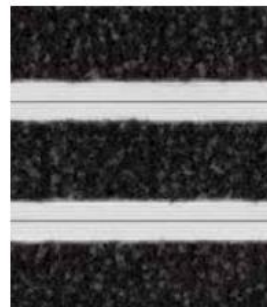

- Ideal for multi-directional entrances
- Proven low slip risk
- Fire rating of B<sub>fl</sub>s1
- For exterior and interior use

## NUWAY CONNECT IS AVAILABLE IN THE FOLLOWING CONSTRUCTIONS:

### Open construction:

- ✓ Ideal for entrances which are susceptible to increased moisture
- ✓ Dirt and moisture will fall through to the matwell below and the mat can be removed for cleaning of both the mat and matwell intermittently

### Closed construction:

- ✓ Ideal for internal applications
- ✓ Dirt and moisture will remain on the mat ready to be removed through regular cleaning
- ✓ This is the most common construction for Nuway entrance mats
